The Obscure Holiday Handbook!

Here are well over 621 unusual holidays— all legitimate, all politically correct, and all begging to be celebrated! If you are looking for innovative ideas for office celebrations, business promotions, activity center events, or just plain fun with family and friends, this is the book for you! \$14.95

What’s so funny about long term care?

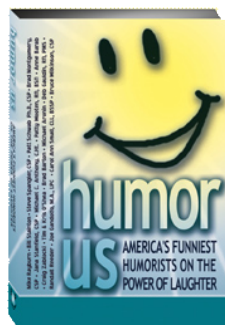

Lots! This book is full of ways patients and caregivers use humor to relieve stress, share love and enrich life.

- * It will make you laugh
- * It will give you fresh ideas
- * It will inspire you to bring more humor into your life
- * It will motivate you to bring humor into the lives of others

* Best of all, it will remind you that:
Those who laugh . . . Last!
